

Peace Sunday - 15th January

'Nonviolence: A Style of Politics for Peace'

2017 marks the 50th anniversary of World Peace Day. With his chosen theme, Pope Francis affirms the place of non-violence and his message offers a timely opportunity for our parishes to explore the Catholic tradition of non-violence which goes back to Jesus. We recognise your past generosity and ask that you support us again this year in the 2nd collection for Pax Christi.
